Top Features of Our eCommerce Website

01 User-Friendly Interface

Clean, modern, and easy-to-navigate design for a smooth shopping experience.

03 Secure Payment Gateway

Multiple payment options (Credit/Debit Card, PayNow, PayPal, Wallets) with encrypted security.

05 Flexible Return & Refund Policy

Simple and transparent process for returns, exchanges, and refunds.

07 Mobile Responsive Design

Optimized for all screen sizes — desktop, tablet, and mobile devices.

09 Detailed Product Pages

High-quality images, reviews, ratings, price comparisons, and related product suggestions.

11 Email & SMS Notifications

Automatic alerts for orders, offers, delivery updates, and cart reminders.

02 Advanced Product Search & Filters

Helps customers quickly find what they need using categories, price, brand, size, and more.

04 Real-Time Order Tracking

Customers can track their orders from placement to doorstep delivery.

06 Smart Offers & Discount Engine

Auto-apply coupons, bulk discounts, and flash sales to boost conversions.

08 Live Chat & Customer Support

Instant assistance via chat, email, or WhatsApp for better customer satisfaction.

10 Inventory & Stock Management

Real-time inventory control with low-stock alerts for admins and vendors.

12 Wishlist & Save for Later

Let users mark favorites and return when they're ready to buy.

Static Website:

- 3–5 static HTML pages (Home, About, Services, Contact, etc.)
- Responsive design (mobile-friendly)
- Basic contact form (non-functional or via third-party)
- Custom layout/design
- Free domain (.com/.sg) for 1 year
- Basic SEO optimization
- Hosting included (usually 1 year)

Dynamic Website:

- CMS integration (WordPress or custom PHP)
- Admin panel for content updates
- User login/register (if needed)
- Contact forms (with email integration)
- Blog/news section
- Database-driven content
- Mobile responsive
- SEO setup
- SSL certificate
- Hosting + Domain
